

# REGIONAL REPORT THRU 5/4

by Aaron Kirby

With only 2 weeks left in regular season teams do not have much time to improve their resume. While it is still too early to know exactly how many bids are left we can get a rough estimate. What we do know:

- 64 -teams make up the field including 31 automatic bids
- 13 -conferences that will only have one team
- 18 -conferences with potential to have more than one bid
- 6-8 -bids on average are stolen each year by teams winning their conference tourney that would not be in a regional. This number can go up or down. We will use 8 as number of stolen bids for this exercise.

That leaves 25 atlarge bids + 18 automatic bids from the potential 2 bid leagues = 43 bids available

Below are 67 teams placed in 5 different categories. That number will decrease over the final 2 weeks and should not increase much if at all. Last two years only missed one team each year when projecting the field. Did not have College of Charleston in 2012 and UC Santa Barbara last year.
